

Howdy,

In order to increase the visibility of the community of project managers in Romania and to facilitate the collaboration between its members, we set out to make short presentations that highlight the value of each Romanian project manager for the industry in which it operates.

Thus, a team of volunteer project managers had the idea to create a simple and relevant profile (business card type) for each project manager, member of PMI Romania, to be visible on the website [www.pmi.ro](http://www.pmi.ro), under the name by **#IamRomanianPM**.

For this to happen, we need, first of all, your participation and, of course, some information, such as:

- The industry in which you operate,
- Experience in the field of PM,
- PM certifications held,
- The link to the LinkedIn profile, etc.

If you are interested in this initiative, please access the link below and complete the requested information, by **October 31, 2021**. We would also need a business photo (if possible professional); otherwise, we may use the one on your linkedin page. By the way, think of a motto that represents you!

Ah! We intend to publish a series of interviews about the people who enliven this beautiful community soon. Please tell us if you are interested in being part of this initiative, as an interviewee or, why not, as an interviewer for other members. If so, you will be contacted by one of our colleagues shortly.

For questions or more details you can also contact us by e-mail - [pmiro\\_board@pmi.ro](mailto:pmiro_board@pmi.ro) or on linkedin.

See you,

PMI Romania Chapter volunteer team
